Those Who Assert They Are on the Inside of Affairs and Know How the Commoner Feels, Say He Will Make Day Historical.

Washington tee, 15.—Although no reply has been received from William Jonnings Bryan by the managers of the Jackson Day dinner, to be held-here January 8, it is known that be had decided before leaving the United States to be present on that occasion.

Mr. Bryan was in Kingston, Ja-maics, when the invintion to speak sent, it is not likely that a reply will be had from him for emeral days. will make the occasion historical

The intention is attributed to Mr. Bryan of making a hold and plain declaration of the issues of the approaching campaign and especially on the trust question. The situation is heightened in interest by the fact that several other Domocratic statemen have secepted invitations to speak. Among them are Woodrow Wilson, Clark, Underwood, Governor Dix of New York, Governor Marshall of Indiana, Judge Parker and some others who have seen their names in print in the same line with the mention of the White House.

But the name of Governor Harmon,

row Wilson As the New Jerseyan to which they now have appointments will be present, he will be at the in the state militia of other states.

This inovement should receive the

MORTUARY.

The funeral will be held from the residence at 8 o'clock tomorrow morning and from the Immaculate Conception church at 5 o'clock. The burnel will be in Santa Barbara com-

The remains of Paul George Stoizenburg.

The remains of Paul George Stoizenburg, who died Sunday at his home. 1419 South Arno, were shipped this afternoon on Santa Pe train No. 2 to the family home in Chicago. A wife and sister are left by the decessed, also as a 12-months-old bady. Mr. Stoizenburg had lived in Albuquerque for the years part, and was well known been assertions have been strikingly demonstrated in northern Colorado-in the Greeley and Loveland districts — where conditions for the installation of pomping equipment are not nearly so favorable. More than 10,000 acres were rechained by the pumping included in northern Colorado has the colorado has th

Portales Will Put National Guard Organization Into Field and Expects Equipment Within Few Days.

But the name of Governor Harmon of this index yet appeared on the givegram in the list of possible candidates for the office of president. There is some anxiety as to whether he will eventually appear there by authority. Harmon, without delay, declined the invitation on the ground that enother engagement would present. His friends are now struggling hard to get him to reconsider his decision.

With the certainty of Bryan's presence it is a pafe guess that the measurement will not hear the voice of financial will not hear the voice of financial will be required number. J. II. Head of Local Electric Company Declares Concerted Effort Would Make This a Garden Spot.

There has been a "live wire" in own for the paint two days. He is C. Chapelle of New York, vice prepi-tent and general manager of the Ped-ral Light and Traction company, and e said some things to a Leruid man perque people foel more convinces

mailstiffies of this community.
"Never," said Mr. Chapelle, " nave seen a more spiendlid combination of resident of Albuquerque and New Mexico, died yesterday at the home of Orally, one of the garden spots of the country."

Mex. J. H. Rehder, a daughter, 611 country Broadway. She was 86 years and Mrs. Changle.

Mrs. Changle.

My. Chapelle was speaking of the local possibilities of tryigation by pumping, and he declared that the lo-Mrs. Clark leaves two suns and two daughters, W. J. Clark of Mexico City. Edward Clark of Wissiow, Mrs. Mar. Saret Weison of Laramie, Wyo., and Mrs. H. J. Rehder of Albuquerque.

Mrs. Clark had been a resident of Albuquerque for about 25 years, coming here soon after the death of her husband at Revider, Colo.

Mrs. Clark and been a resident of Arbuquerque for about 25 years, coming here soon after the death of her husband at Revider, Colo.

New Yorker declared, would be suf-ficient to insure farmers a constant and adequate supply of pure water for irrigation purposes. The mainla-tion of necessary pumping equipment for a tract of thirty acres would, he said, establian expenditure of about \$250—and the farmer would be there-after in a position to laugh at drouths

velopment along this line. All the people of the Alluquerque commandly have to do is give a long tall and a strong pull and a pull sit together—with the emphasis on the all together. And I want to repeat that this company stands to assist effectively any organized movement looking toward agricultural development in this vicinity. I would cheerfull: make a special trip here from New York if I thought I could be of help in such a cause." in such a cause."

Confessed Slayers of Juan Peralta Get Off With Terms of from Three to Twenty-

Trujillo, Junna Peralta and Isabel Billeacu, who pleaded guilty to the murder of Juan Peralta on May 28 last, were brought into court faturday morning to be sentensed. Trufillo was given from twenty-five to fifty years and the two women from three to five years each.

The apparent lightness of these sentences was explained by the court in pronouncing judgment on the prisoners. In the case of Trujillo, the enormity of the crime was reduced by the rait that there was nothing to prove premeditation. All three of prove premeditation. All three of the defendants told the same story in this regard. Isabel had left Trujillo at her house and gone over to her mother's, claiming that she did not want Peralta to know that Trufflo was there that she wanted to avoid any trouble. When Peralta appear-ed Trufillo claims that the fight ensued and he was compelled to shoot in self defense, as the larger non-was getting the better of him in the scuffie. The court called attention to the fact that had Trujillo not had is gun so handy the fight would not ave ended so disastrously as it did. he court was also informed that rulillo had not been in scrious trou-le before but had been a hard workone man. On the other hand the court took cognizance of the fact that the boy had certainly been indulging in improper relations with limbel, which weighed against him and which in the purview of the court had brought on the whole trought. de. The piens of gollty weighed trongly in favor of all three de-endents, as it would have been pracindivinue and would have been proven leady impossible to have proven nurder against them, had they mere-y claimed self-defense except for in fact they had anothered the hole.
